The only real luxury is TIME

*Lifetime* **MAGAZINE** is a high-end magazine, dedicated to watches and jewellery.

Passion, emotions and impeccable journalism are the foundations and the forces that drove us to start this watch publication **BACK IN 2015** and inspired us to create **UNIQUE PROJECTS** and **AUTHENTIC STORIES**.

*Lifetime* **MAGAZINE** is a highly respected institution among watches and jewellery brands, a publication which has seen incredible growth and development, successfully debuting in Austria, Germany, Switzerland and UK.

In the **20 PLUS YEARS** that we have been writing about watches, we have also built and consolidated solid relationships with brands such as Rolex, Vacheron Constantin, Piaget, Chopard, Cartier, Panerai, IWC, Bulgari, Jaeger-LeCoultre, Hublot, and the list continues.
